Welcome New Schools

It was such an honor to share the Opportunity Education mission with educators attending the NCSS Conference in Washington DC in December. **60** new schools signed up to participate in the Sister School Program. Imagine the excitement of over **8,000** students from both Partner Schools and Sister Schools when they got their first letter.

We understand the overwhelming obligations and pressures you have as teachers, and we appreciate the commitment you made to make a difference in the lives of your students. Thank you to all Sister Schools and Partner Schools around the world.
