# Happy New Year!

The best day of school last year was \_\_\_\_\_

This year I can't wait to \_\_\_\_\_

One thing I would like to do again is \_\_\_\_\_

This year I want to \_\_\_\_\_

The New Year brings new beginnings to all of us! We make our wishes and plans for the future but we also remember the past year. Have your students write to their pen pals some of their favorite memories of 2016 and share their hopes, dreams, goals and plans for 2017.

In the New Year I Want to; try...go...play...learn...read...write...create...imagine...change...improve...accomplish...experience...feel...love

The winter season is upon us. Whether you're in a cold or warm climate, what are the best things about winter? What are the worst things? Share with your pen pal your thoughts and experiences of winter where you live.

Read books about winter. Write imaginative responses and make creative art about the stories. Share with your Pen Pals! If Possible, send a copy of your favorite book!

Check out Opportunity Education's Pinterest boards for many writing and cross cultural ideas for the winter season... and for all year long!
