Dear Sister Schools,

It is with great sadness that we write this note to inform you of a tragic accident involving students from one of Opportunity Education's supported schools. Lucky Vincent Nursery & Primary School in Arusha, Tanzania was struck by a tremendous tragedy today.

Students of Lucky Vincent Nursery and Primary School were traveling from Arusha to Karatu for an event with another school when their bus had a road accident. The current reports are that least 29 students (17 girls & 12 boys) were killed. Most of the students were 12-13 years of age. Because of the scale of this accident, there has been quite a bit of global news coverage on the tragedy: <http://www.pbs.org/newshour/rundown/tanzania-bus-accident/>

As you can imagine, the community and families of Lucky Vincent Nursery and Primary School are heartbroken. We are praying for Lucky Vincent Nursery and Primary School and thank you in advance for your thoughts and prayers in their time of grief.

Sincerely,

Opportunity Education Foundation
